

A man with short brown hair and glasses, wearing a blue t-shirt, dark cargo pants, and orange safety gloves, is using a Husqvarna battery-powered trimmer. He is standing on a green lawn next to a stone retaining wall. The trimmer is orange and silver. In the background, there is a white house with a window and some greenery.

# HOMEOWNER BATTERY PRODUCTS

# WE MAKE IT EASIER TO WORK LONGER, STRONGER AND LIGHTER.

Husqvarna's Battery Series for homeowners offers all the power, performance and intuitive design you expect from Husqvarna, without the need for gas and refueling. Just clean, convenient and quiet operation that won't disturb the neighbors. Long-lasting lithium batteries are interchangeable with all our battery products and deliver convenient power and run time, without all the weight.

save<sup>e</sup>

With the touch of a button, savE™ mode maximizes run time by allowing the motor to reduce power for light duty tasks.

**HEAVY-DUTY DOESN'T NEED TO BE HEAVY**

The slim design, low weight and well-balanced design makes our 100 Series battery products easy to operate and maneuver without compromising performance.

**INTUITIVE KEYPAD**

The intuitive keypad with On/Off button makes starting and stopping the machine quick and convenient.

## SUPERIOR PERFORMANCE

Husqvarna brushless motors offer light, durable efficiency – and superior torque to many gas machines. Use with the 40V Li-ion battery for long-lasting power.

## IT SAVES YOU MONEY

The higher purchase price of a battery product is quickly balanced by the eliminated gas costs. In the long run, it's a real money-saver.

## NO FUMES. LESS NOISE.

With no smoke or fumes, Husqvarna battery products are clean and pleasant to use. And their quiet, powerful electric motors mean you can work without disturbing the neighbors.

## 14" BRUSHLESS CHAINSAW

save<sup>e</sup>

Lightweight, comfortable and easy to use, this powerful 14" chainsaw is perfect for felling smaller trees as well as pruning and cutting branches.

PART NO. 967 09 81-02

**INCLUDES A BLi20 BATTERY AND QC80 CHARGER**

### FEATURES

- The brushless electric motor has an innovative design to deliver high efficiency and maximizes run time while extending life of the chainsaw.
- 14" bar and chain optimized for powerful cutting performance.
- The intuitive key pad ensures simple operation.
- Soft-grip handle for additional user comfort.
- The BLi20 battery (included) fits all 100 Series handheld machines, allowing you to quickly switch the same battery between a trimmer, blower, chainsaw and hedge trimmer.
- Designed for demanding, long-lasting use.

# KEEP YOUR TOOLS WORKING AS HARD AS YOU DO

ALL 100 SERIES BATTERY PRODUCTS COME WITH A BLi20 BATTERY AND QC80 CHARGER

## BLi20 BATTERY PART NO. 967 09 17-01

The Husqvarna 40-Volt lithium-ion battery provides fade-free power and extended run time for all Husqvarna 100 Series 40-Volt tools. Whether you are in need of a replacement battery, or a spare, this battery is ready to get to work when you are.

### FEATURES

- Long-lasting power and top-class performance.
- Designed to stay cool for fade-free power.
- Easy to read LED battery life indicator.
- Easy to use with a simple snap on and off design.
- Lightweight and compact for easy storage.
- Battery fits all 100 Series handheld machines.

## QC80 CHARGER PART NO. 967 33 56-41

The 40-Volt charger is designed to charge any Husqvarna 100 Series battery. Whether you are in need of a replacement charger, or a spare, this charger is ready to keep your Husqvarna 40-Volt battery charged.

### FEATURES

- Charger is compact for easy storage and transport.
- Conserves energy by using 'energy-save' mode, and will not continue to charge a battery once fully-charged and still on the charger.
- 3-ft cord is included.
- Fits all the Husqvarna 100 Series 40V Li-ion batteries.
